

Eight-day adventure tour through Ceará,
Northeast Brazil

Full Moon *expedition*

The Full/New Moon Expedition takes you to special places where the unity with nature can still be experienced in its full glory. Fantastic sunrises and sunsets, moonrises, the Milky Way, the infinity of the Universe with all its stars, these are all elements that are central to the trips of the Full Moon Expedition. In addition, a lot of attention is paid to the very diverse local culture of Northeast Brazil.
